

Ensuring Health Care Access for Everyone

## Recovery Outreach Coordinator

We are looking for a compassionate and passionate community leader who is driven to make a difference within their community. As a part of HealthFinders Collaborative, you will be a key player in addressing barriers to healthcare, ensuring our patients and communities can be their healthiest self.

HealthFinders Collaborative is a growing community organization providing quality health care, advocacy and wellness education for people who have limited access to care in Rice and Steele Counties.

### What you will do:

The Recovery Outreach Coordinator will work to identify and support individuals struggling with substance use disorder (SUD) to help them overcome barriers and move further down the path towards recovery. The coordinator will coordinate services, provide support, and meet people where they are, to promote wellness and recovery. They will also be expected to build effective relationships with individuals and organizations to centralize the work of the Recovery Outreach Initiative.

Recovery Outreach Coordinators will also be eligible to participate in the Rice County Access and Equity Fellowship Program. The program provides financial support to those wishing to pursue an education in the field of social work, chemical health, or mental health.

### What we are looking for:

- Previous experience in individual or family support, community health, or with individuals experiencing substance use disorder
- Strong belief in the organization's mission and commitment to community building
- Bilingual Somali/English or Spanish/English is highly preferred
- Ability to travel within Rice and Steele County
- Excellent verbal and written communication skills
- Maintain good professional boundaries with clients
- Ability to work as a member of a team with minimal supervision
- Passion and patience for the process of recovery
