

HealthFinders Gala 2024

SPONSORSHIP OPPORTUNITIES

ALL ABOARD FOR COMMUNITY HEALTH!

Please join us as a sponsor of “All Aboard!” our 2024 HFC Gala. Sponsors support HealthFinders’ mission to provide quality health care, advocacy, and wellness education to people within our community who have limited health care alternatives.

Health begins at home, with the family, bolstered by community connections. It’s where we eat, sleep, and connect with people we love. HealthFinders builds on and supports families and community to improve health and reduce health disparities.

It takes \$1.2 million from our community to fund these critical health services each year. Our annual Gala is one of the key ways our community can come together to make progress toward our goals.

We hope you’ll join as we board the train toward a vision where everyone in our local community has access to the health care they need. With your support, we believe in the power of our communities and patients to be healthy!

Contact Kara to talk about a sponsor level that works best for your business!
